Sunset Net offers
24/7 Tech Support
Right Here in The USA!

Internet Access, DSL, Web Hosting, Web Design and Support

Sunset Net has been the local favorite for high-speed Internet access, web hosting, and computer repair for over 16 years! Family owned and operated, Sunset Net has acquired over a dozen other service providers, so we must be doing something right. If you think you're getting a deal from the phone or cable company, bring your current bill by our office and let us show you how hidden fees, forced equipment purchases and leases are costing you much more than you think. Once you do, you'll want to make the switch to Sunset Net.
